NATIONAL SECURITY COUNCIL

12 May 1976

Ben,

In preparing to respond to a subpoena from the House Select Committee on Intelligence I was asked to prepare the attached. It was not submitted, but was passed to some members of the Committee.

I don't know if anyone wants this for the Agency records or not; perhaps it should at least be put in my personnel folder.

As you know, we fought a hard battle to protect the 40 Committee records and it actually came out better than we expected.
